Gender Reassignment - The school did not have any information on whether any of the children on roll had reassigned their gender

Sexual Identity - The school did not have information on whether any of the pupils on roll identified as Lesbian, Gay, Bi-sexual or Transgender (LGBT) as the question had never been asked.

Our school's current equality objectives (2020/21) are to:

- Ensure SEN children full access to the curriculum
- Widen pupils horizons by attending events where children from other ethnic categories are present (eg. Inter-school sports matches and PGL)
- Promote greater global awareness (eg. Daisy Adhola and this year's theme week has as its focus, Japan and the Olympics)

Given the small nature of Willoughby Primary School (PAN 7), monitoring information reflects what we already know.

There were no gaps identified or potential issues for pupils in relation to the protected characteristics.
