Our school's current equality objectives (2022/23) are to:

- Ensure SEN children full access to the curriculum
- Widen pupils' horizons by attending events where children from other ethnic categories are present (eg. Inter-school sports matches and visits)
- Promote greater global awareness (eg. Plan International supporting Sopina and this year's theme weeks have a focus on the King's Coronation and Australia).

Given the small nature of Willoughby Primary School (PAN 7), monitoring information reflects what we already know.

There were no gaps identified or potential issues for pupils in relation to the protected characteristics.
