

Dear Friends of Willoughby School,

As we navigate through the seasons, our dedication to enriching the educational journey of our students remains unwavering. With only 40 pupils, each day at Willoughby School is a testament to the vibrant spirit that small communities harbour. However, this also presents us with unique challenges, especially when it comes to fundraising.

Our aim is clear: to ensure that our school not only thrives but excels. This means going beyond the basics to fund educational trips, classroom equipment, and experiences that spark our children's curiosity and joy for learning. Examples include: funding the coach to perform at Young Voices in Birmingham (largest school choir in the world), helping learning for life by funding Coram Life Education lessons, and getting outdoors to support positive mental health through forestry lessons.

Together, we can make a difference in the school lives of our children, providing them with the resources and experiences they need to flourish. Your support, whether through joining our events, participating in the auction, or contributing to the FOWS 100, is invaluable.

Let's rally as a community to ensure our school remains a place of endless possibilities for our children.

Warmest regards,
The Friends of Willoughby School Team
