

Willoughby Primary School

Modern Foreign Languages Curriculum Statement

As a school we aim to:

Deliver an engaging and inspirational curriculum that prepares children for the future, develops their **curiosity** and deepens their **understanding** of the world around them. We foster each child's **independence** to nurture character development, health and well-being.

In this subject we aim to:

Nurture children's interest and deepen their knowledge of the multi-cultural world we live in, whilst developing confidence in both speech and writing of the language, preparing them for life in a modern world.

Our children say:

I am having fun learning a different language and about the culture of another country.

Learning intentions:

Our MfL curriculum is designed to provide pupils with the foundation blocks for learning further languages. The curriculum is broken down into 5 areas: speaking, listening, reading, writing and grammar taught across Key Stage 2

Children will be able to:

- Can listen attentively to spoken language and show understanding by joining in
- Explore the sounds and patterns of language through songs and rhyme
- Engage in conversations, asking and answering questions and expressing opinions
- Can speak in sentences using familiar vocabulary and developing accurate pronunciation
- Read carefully showing an understanding of words and phrases
