

KS1 ROLLING PROGRAMME - History

Heroes of History	Heroes of History asks the questions as to why a particular person is remembered and whether they famous or infamous.
Cause and effect	Themes such cause and effect allow us to look at the causes of war and revolts, the industrial revolution and the changing power between the monarchy and parliament.
Continuity and change	Continuity and change allows us to view the political, social, economic and geographical changes over time whilst following a chronological approach to the teaching of History
