Reynolds</p> <p>The book is about a child, Vashti, who thinks she cannot draw and just draws 'a dot' on her page. However, her teacher asks her to sign her picture, and the next week, her picture is framed and on the wall. This makes her realise that she could probably try a bit harder and do a better dot. She goes on to making lots of pictures with dots. The story is about having a go and being confident in yourself. After you have watched and listened to the story have a go at creating your own dot</p>
