

# Willoughby Primary School

## ‘Learning for Life’

### VISION 2026

Our vision for the school and its stakeholders

#### Children in our school

Every child will receive an excellent primary education, deriving enjoyment from learning and being ambitious for their further education and adult life;

Every child will achieve their fullest potential, will excel in one or more of the core subjects, and will have knowledge, curiosity and confidence to engage with social and global issues;

Every child will enjoy a safe, caring, inclusive and happy place to learn, will make friends and will be active and healthy;

Every child will have mutual care and respect for all and learn what it is to be a good British citizen.

#### School

Our school will be outstanding as experienced by children, parents and Ofsted;

School leadership will be innovative and will inspire pupils and staff to excel;

Governors will identify a strategy for academisation that is right for the school and achieves sustainability and stability.

#### Staff

Staff will have excellent professional skills and forward-looking adaptability, supported by collaboration with other schools;

Staff will be ambitious to teach a stimulating, broad and relevant curriculum;

Staff will consider our school the best place to work and will feel valued and supported.

#### Community

Everyone in the school community: children, staff and parents are respected, supported and valued;

Parents and the wider village community will know more about and participate in the life of the school;

Our school will have an enhanced reputation in the area and will be the first choice for every family.
