

# Year 5/6 Creative Homework

## Summer 1 2025

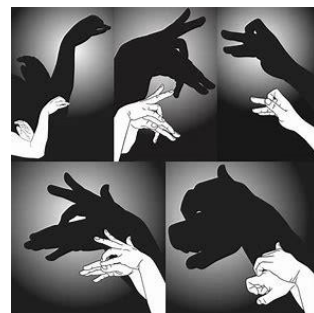

This half term we will be learning about light in science, biomes in geography, Andy Warhol pop art in art, percussion in music and healthy foods in French. To immerse yourself further within these topics we are setting optional homework tasks. Select an activity or activities from the choosing grid – you can complete as many as you like and be creative!

During the week beginning 19<sup>th</sup> May we will be having a homework showcase where you will get the chance to share your amazing work so please bring everything in that week. Alternatively, you can email pictures or documents to [office@willoughby.notts.sch.uk](mailto:office@willoughby.notts.sch.uk) and we can share them with the class. We look forward to seeing all your efforts!

Can you paint a portrait of yourself in the style of Andy Warhol. You could print off a photograph of yourself, trace it and use then make repeated images. Paint or colour each image in bright, contrasting colours.

Can you make shadow puppets at home and take photos of the shadows. We will try and guess what they are!

Compose a short piece for percussion. Use objects from around the house or garden as instruments, or body percussion to create different sounds. You could even make an instrument too. Use symbols for each instrument or sound to write your composition down. Can you video yourself performing it to your family and friends.

Design and write a menu for a French restaurant and ensure it contains all healthy food!

Listen to 'What makes a desert a desert?' podcast by Who Smarted? Write down 5 facts you have learnt and think about 5 things you might take if you were visiting the desert.
